

NetApp Authorized Training Curriculum

Fast Lane is NetApp's only Worldwide Authorized Learning Partner. We work closely with NetApp to offer a comprehensive public schedule of their courses. Fast Lane can also bring standard or customized versions of these courses to your location.

“ NetApp chose Fast Lane to be its first Worldwide Authorized Learning Partner because of their outstanding reputation in IT Training and their ability to deliver high-quality training across the globe.”

— Bruce MacInnis, Senior Manager Global Commercial Education, NetApp, Inc., NetApp University

Fast Lane can deliver any course as a private on-site program. Contact us to discuss your specific training needs and let us customize the right program for you.

REDEEM YOUR NETAPP TRAINING UNITS:

Fast Lane is proud to accept NetApp TUs. TUs can be redeemed for any NetApp course.

ABOUT FAST LANE:

Fast Lane, with locations and partners in more than 60 countries, has been providing advanced technology training and consulting since 2002. We offer multiple solutions to our customers and partners in the areas of Training Delivery, Education Consulting, Content Development and Managed Services. Local language training is available in most countries.

“I came to this class with less than a year’s experience working with VMWare and NetApp. [The Instructor] could not have done a better job of keeping the lecture interesting and was incredibly responsive to questions as well as application to realistic scenarios.”

— *Steve Sullivan, Systems Engineer, The Beacon Mutual Insurance Company*

“This class exceeded all my expectations! The instructor was the best instructor I’ve ever had and the labs were flawless.”

— *Greg Johnson, Wachovia Bank*
