

NetApp Authorized Training Curriculum

Our Company

Fast Lane specializes in high-end IT infrastructure training to help you achieve all your skills requirements and certification goals. We are proud to be the only Worldwide NetApp Authorized Learning Partner offering the full NetApp curriculum.

Our Quality Assurance

Our instructors are certified specialists with extensive storage, networking, data center and virtualization experience. They have professional experience and excellent teaching skills which ensures you will have an optimal training experience.

Our Expertise

Fast Lane training offers insight, skills, and real-world experience in the areas of virtualization, data center, storage, voice, business video, unified communications, security, wireless and optical technologies. In addition to our full NetApp curriculum, Fast Lane offers authorized training programs from other major vendors such as Cisco, VMware and Microsoft. We also develop many multi-vendor and cloud computing courses to satisfy the unique requirements of today's blended architecture environments.

Our Aim

Simply stated, our goal is to help you stay on top of the needs of your company's IT environment.

Our Unrivaled Lab Infrastructure

You will enjoy the use of state-of-the-art hands-on labs for all areas of high-end technologies. These labs provide a real-world experience that raises the bar for training quality. Our labs are used to support all modalities of learning: classroom, virtual and self-paced.

NetApp Certifications

Set yourself apart and receive industry recognition for your proven expertise with NetApp® storage and data management technologies.

The NetApp certification program is structured to offer storage professionals a strong foundation and a comprehensive range of specializations to choose from.

Fast Lane helps you prepare for these NetApp Certifications!

[NetApp Certified Data Management Administrator \(NCDA\)](#)

[NetApp Certified SAN Implementation Engineer \(NCIE-SAN\)](#)

[NetApp Certified Backup and Recovery Implementation Engineer \(NCIE-B&R\)](#)

NetApp Certification Packages

[Data ONTAP 7-Mode Administrator Certification \(7-MODECERT\)](#)

\$10,350 or 138 TUs

[Data ONTAP Cluster-Mode Administrator Certification \(CLUSTERCERT\)](#)

\$4,500 or 60 TUs

[NetApp Certified SAN Implementation Engineer Certification \(NCIESANCERT\)](#)

\$4,500 or 60 TUs

NetApp Course Schedule

[Data ONTAP 7-Mode Administration \(D7ADM\)](#)

5 Days, \$4,500 or 60 TUs

[Accelerated NCDA Boot Camp Data \(ANCDABC87\)](#)

5 Days, \$5,850 or 78 TUs

[Enhanced: Data ONTAP Cluster-Mode \(DCADM\)](#)

5 Days, \$4,500 or 60 TUs

[FlexPod for VMware Essentials \(FPVE\)](#)

2 Days, \$1,895 or 24 TUs

[FlexPod for VMware Administration \(FPVA\)](#)

3 Days, \$2,695 or 36 TUs

[FlexPod for VMware Design & Implementation \(FPVI\)](#)

3 Days, \$2,695 or 36 TUs

NetApp OnCommand Unified Manager Administration (OCADM)

4 Days, \$3,600 or 60 TUs

SAN Implementation (SANIW)

3 Days, \$2,700 or 36 TUs

SAN Scaling and Architecture (SANSA)

2 Days, \$1,800 or 24 TUs

Basic NetApp Configuration and Administration (BNCA)

1 Day, \$900 or 12 TUs

Performance Analysis on Data ONTAP (PAD)

3 Days, \$2,700 or 36 TUs

Data ONTAP CIFS Administration (CIFS)

2 Days, \$1,800 or 24 TUs

Data ONTAP NFS Administration (NFS)

1 Day, \$900 or 12 TUs

NEW: Configuring NetApp E-Series Storage Systems (ESERIESCONFIG)

3 Days, \$2,700 or 36 TUs

NEW: Maintaining NetApp E-Series Storage Systems (ESERIESMAIN)

2 Days, \$1,800 or 24 TUs

NEW: Implementing Oracle on NetApp Storage Systems (ORONSS)

3 Days, \$2,700 or 36 TUs

VMware vSphere on NetApp Storage Systems (VVNA)

5 Days, \$4,500 or 60 TUs

Microsoft SQL Server on NetApp Storage Systems (MSSQL)

5 Days, \$4,500 or 60 TUs

Implementing Microsoft Exchange on NetApp Storage Systems (MSEXC)

4 Days, \$3,600 or 48 TUs

SnapProtect Solution Administration (SPSA)

3 Days, \$2,700 or 36 TUs

NetApp Protection Software Administration (NPSA8)

2 Days, \$1,800 or 24 TUs

Implementing Enhanced Secure Multi-Tenancy (IESMT)

3 Days, \$2,700 or 36 TUs

"I came to this class with less than a year's experience working with VMware and NetApp. [The Instructor] could not have done a better job of keeping the lecture interesting and was incredibly responsive to questions as well as application to realistic scenarios."

— Steve Sullivan, Systems Engineer, The Beacon Mutual Insurance Company

"[The Instructor] did a really great job! I have been in a lot of these over the years. The time spent and knowledge gained in this class was way above average!"

— Alan Belanger, Member of Technical Staff, GIS Storage Design Group

Delivery Methods

Fast Lane offers several options for course attendance. You can choose to attend a fixed classroom in most major metro areas, attend one of our online virtual classrooms in your choice of time zones allowing you to avoid travel time and costs or join one of our FLEX classes that blend fixed and remote audiences into one group. Our private onsite training can be customized for your needs and delivered at your location.

Look for the following icons in our course schedules to select your best option to attend.

ILO - Instructor-Led Online Training

ILO sessions are conducted via WebEx™ in a VoIP environment and require an internet connection and headset with microphone connected to your computer or laptop.

FLEX Classroom™ - Combined ILT & ILO

FLEX Classroom sessions are delivered via a combination of ILO and ILT giving you the ultimate flexibility.

Fast Lane Night School

This is an Instructor-Led Online evening class conducted via WebEx™ in a VoIP environment and require an internet connection and headset with microphone connected to your computer or laptop.

Private Onsite Training

We can deliver standard or tailored versions of our award winning training to your team in a private session via any of our delivery methods.

GTR - Guaranteed to Run™

With our GTR classes, you won't have to worry about rescheduling your training. No matter how many students are enrolled, we will run the class, guaranteed.
