

NetApp Authorized Training Curriculum

Fast Lane is NetApp's only Worldwide Authorized Learning Partner. We work closely with NetApp to offer a comprehensive public schedule of their courses. Fast Lane can also bring these standard courses or customized versions of these courses to your location.

“ NetApp chose Fast Lane to be its first Worldwide Authorized Learning Partner because of their outstanding reputation in IT Training and their ability to deliver high-quality training across the globe.”

— Bruce MacInnis, Senior Manager Global Commercial Education, NetApp, Inc., NetApp University

ABOUT FAST LANE:

Fast Lane, with locations and partners in more than 60 countries, has been providing advanced technology training and consulting since 1996. We offer multiple solutions to our customers and partners in the areas of Training Delivery, Education Consulting, Content Development and Managed Services. Our instructors, located around the globe, are real-world practitioners of advanced technologies and not only teach in the classroom, but also regularly provide advanced technology Consulting Services. Local language training is available in most countries.

“The instructor did a fantastic job of applying the course material to real-world examples and facilitated good communication between the students.”

— Lonnie Snyder, HITT Contracting Inc., Senior Network Administrator

“This class exceeded all my expectations! The instructor was the best instructor I’ve ever had and the labs were flawless.”

— Greg Johnson, Wachovia Bank
