NetApp™ Training

“The instructor did a FANTASTIC JOB of applying the course material to real-world examples and facilitated good communication between the students.”

— Lonnie Snyder, HITT Contracting Inc., Senior Network Administrator

“This class EXCEEDED ALL MY EXPECTATIONS! The instructor was the best instructor I’ve ever had and the labs were flawless.”

— Greg Johnson, Wachovia Bank, CIB Technology

ABOUT FAST LANE:

Fast Lane, with locations in more than 40 countries, has been providing advanced technology training and consulting since 1996. We offer multiple solutions to our customers and partners in the areas of Training Delivery, Education Consulting, Content Development and Managed Services. Our instructors, located around the globe, are real world practitioners of advanced technologies and not only teach in the classroom but also regularly provide advanced technology Consulting Services. Local language training is available in most countries.

Fast Lane partners with important technology vendors to ensure you have access to the most comprehensive and effective training programs available today. Plus, we supplement vendor training with Fast Lane developed advanced technology courses.
