

Unlock More From Cisco Training

Choose Fast Lane as your **Trusted Learning Partner (TLP)** on the LCMT dashboard and transform Cisco Learning Credits into meaningful learning outcomes.

Choose Fast Lane in 6 Steps

1

Find your reminder

Look for the TLP action item on your LCMT dashboard.

2

Open Accounts

Select the Accounts icon, then choose Add.

3

Pick your country

Enter the country where your team will train.

4

Select Fast Lane

Choose Fast Lane from the Trusted Learning Partner drop-down.

5

Choose your Tech

Tell Cisco which technologies matter most to your team.

6

Agree and submit

Accept the Terms and Conditions and submit.

As a Fast Lane partner, you'll gain access to a dedicated learning advisor, proactive credit management, certification readiness insights, and flexible global training delivery across Cisco and other leading technology vendors. **Contact us to develop a customized training roadmap.**
